

Support the “I Voted Today” Project

Sponsorship Info

This Action Backed project is by Cody Peterson and Justin Kemerling. We’ve invested our time and dollars in the campaign design, website, application and animation to get people excited about voting this November. With your additional support the project can reach more people and have more of an impact. We’re currently considering online ads, billboards, more swag, etc.

TOP SUPPORTER: \$1,000

- Top logo placement on the website

PROJECT PARTNER: LET’S TALK

- What else does this project need?

How ’bout that animation!

We worked with Caleb and Daphne from Uphill Downhill. They’ve been wonderful partners on the project and went way above and beyond to deliver one hell of a video.
